WORK EXPERIENCE

Pop Umai, Riverside, CA — *Freelance*

AUG 2022 - SEPT 2022

- Full-stack content management system webpage for the client Pop Umai.
- Implement a modern UI for the clients-themed site that includes an events page to display upcoming and past events for customers and business patrons.
- Display a collage of products available to inquire for purchase.
- Create a contact form that includes auto-reply to business inquiries, product inquiries, and general questions.

Hey Dude Shoes, Riverside, CA — *Warehouse Pick/Inbound Lead*

Mar 2019 - NOV 2020

- Managed a team of 60 associates by working closely with clerks and logistics on distributing important retail orders to achieve daily and weekly business goals.
- Operated individual teams to work on vendor-specific requirements to ship accordingly.
- Planned inbound allocation of inventory to accelerate the pick to QA process.
- Maximized efficiency of the QA team by implementing SOPs.

PROJECTS

Pop Umai — (https://github.com/PreDevz/POP-Umai)

- Full-stack business webpage for the client Pop-Umai showcasing upcoming events, previous events, a gallery of product, a private admin dashboard, and a form for further inquiries with an automated response back to users.
